Life Skills

A New Classroom Center

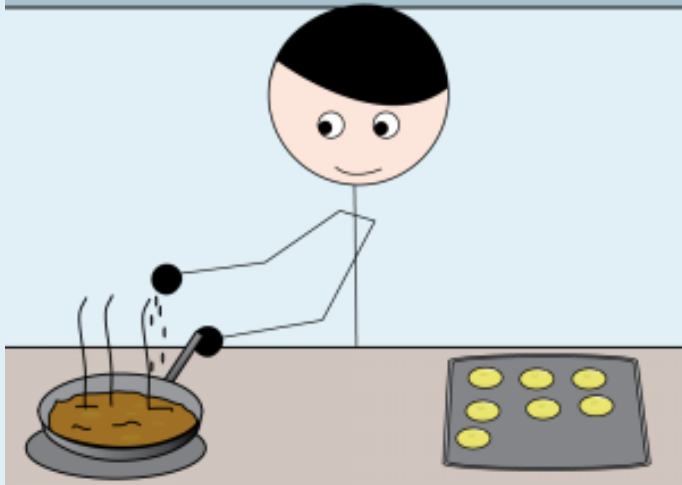

Dear Family,

This month we will be implementing a new life skills center in our classroom. We will have a block of each day to focus on one new skill a month. Please feel free to help us generalize the skill at home as well, by working on it with your child. You will receive monthly updates about the skill and your child's progress!

If you have any materials that could help us learn the skill of the month, feel free to send them in. And as always, if you would like visuals for this skill to use at home, please ask in your child's communication notebook!

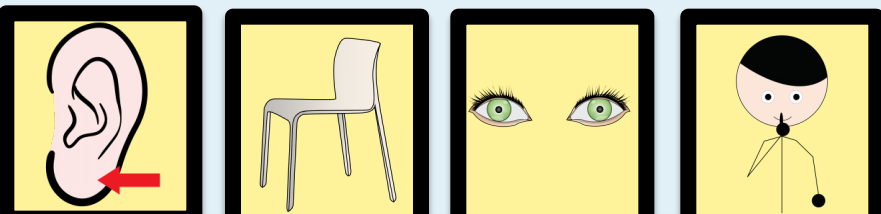

Thanks,
